

Function 1

Basin Mixer 6796-91-80CP

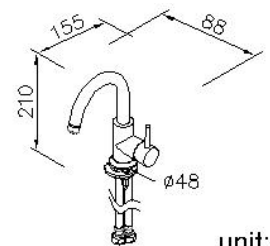

INTRODUCTION:

In the earlier periods, the principal Greek architectural feature has been column. As time goes on, the hieron developed elegantly with more slender cylinder, the Temple of Athena Nike and Parthenon become the famous edifice as the cylindrical element. Inspired column as main idea 6796 series had been designed with simple but elegant cylindrical shape, which display a sense of simplicity and harmony.
