INTRODUCTION:

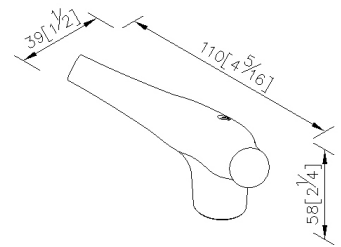

Using the simplest element from nature brings relaxed feeling for users. Plant is the most indispensable element in nature, so Nature Bathroom Accessories have been inspired by branch, and smooth main body was modeled of simplified arc lines. Designer try to present the relaxed feeling in the bathing space.

In this case, our target customer, the interior designer, Senpei Design, has joined in the design process with us, and exchanged his ideas about the accessories design and function requests when he does the interior design for customers.
